Athens, 28 March 2009

Dear Mrs. Svetlana Kim

On behalf of the Board of Directors of Euro American Women's Council, its members, and our coalition partners, *Women's Leadership Exchange, Fair Play, Free the Children, Women for Women, The Institute for Economic Empowerment of Women and Inc.* it is a great pleasure to inform you that you have been chosen to be one of our honorees for your work as a visionary and incredible self made entrepreneur, at our 13th Annual Global Forum, to be held in Greece on June 12-20 June, 2009.

The Euro-American Women's Council is a non-for-profit 501©3 organization founded by high-ranking professional women from around the world who have been able to prosper in their careers while also establishing families.

EAWC venerates women and men leaders from around the globe for their distinguished achievements with EAWC's renowned "Artemis Awards" pay tribute to individuals from the fields of business, politics, medicine, sports, academia, science, arts and culture whose achievements have decisively contributed to the growth and advancement of economics and societies on a national and international scale. They personify the highest business principles, including fair competition, teamwork and cooperation, which set the example for others to follow and help pave the way for future generations of leaders.

In 1991 you came in U.S, having no money and no knowledge of the English language. However, you were a quick study mastering the nuances of American culture and language. Despite the difficulties, you navigated & worked your way to success as you become a stockbroker. You have become a great author, but your accomplishments don't end there; you are an outspoken and effective activist, embracing the freedoms of the American political and social system you have been involved effectively in America's Political and Public life. Today, you also add your insight and managerial experience to several Boards of Directors. Most recently you became a 2008 Asian Academy Hall of Fame inductee, sharing this acclaimed honor with the former Secretary of Transportation and Labor Secretary. You have proved that you know very well how to built success around the globe and make the difference.
